Local Hospital Dedicated As A Soldier Memorial

Service Posts Present National Colors, and Listen To A Wonderful Address

When the nation celebrates its many featured events, the Glades, usually in some form takes a part in the celebration. Last week it was National Hospital Week, so the West Palm Beach Hospital directors decided that Sunday Mother's Day would be an appropriate time to dedicate the Belle Glade Memorial hospital, in honor of the service dead of World War II, as well as for the public inspection of the hospital plant, as it now exists.

The Ladies Hospital Auxiliary, the hospital managers, the Legion, Veterans of Foreign Wars, the Elks, and Lions combined their efforts to make the event an outstanding one which it proved to be. A platform had been erected on the main entrance, and it was from this that the ceremonies were conducted, assisted by the W. S. W. N. loud speaker service.

The program of the day was as follows:
Selections by the High School Band.
Invocation Rev. L. F. Vanderwater.

Presentation of Flag and Dedication Services by the American Legion and the Veterans of Foreign Wars.

Introductions by Master of Ceremonies, Jack O. Johnson, Address, Charles Francis Cooke, Editor of the Palm Beach Post-Times.

Selections, High School Glee Club.
Benediction Rev. L. E. Enlow.

Chairman Johnson took occasion to introduce the following: Members of the Hospital Board, W. P. Risk, G. R. Towne, H. Hebert, B. C. George, Roy, E. R. Mackey and Mrs. Continues on page 7.

New Ordinances Passed For Police And Police Court

Police Commissioner Frank Dooley, after several months study with the Judge of the Municipal Court Jack O. Johnson and Chief of Police Charles Goodlett, on ordinances relating to the Police Department, authority of officers in making arrests, and territorial authority presented a long ordinance covering every important change.

The new act is a combination of a number of ordinances into one new one, which in fact becomes the Police Code of Operation, and cites a long list of misdemeanors which are now included.

PAR-TEE LINE

By Dolly Miller, Country Club of the Everglades

Ladies of the Country Club had a roaring success in the Benefit Dinner Dance on Saturday night. Besides the food and music, a double auction on a painting by Margaret Earwood was held with the voice of Bob Creech who was assisted by Sid Smith. This brought in \$56.15. Receipts at the door reached the \$200 mark, so after expenses are paid the ladies will have a nice profit. Thanks to the farmers for their generosity of donating the vegetables, peas by Woodrow Bus, potatoes by Lee Hayman, and by Sully Sullivan, celery by Duda and Sons, and eggs by Peter Kirkham.

A special entertainment was enjoyed later in the evening given by Miss Audrey Oshank of Peter Delano, and Little Doris Coral Gables, who did two and two dances in costume.

Don't forget Ladies' Day to day. This is the last week of the Bridge Tournament and even though Evelyn McKee is in first place, anything can happen.

Eighteen NATIONAL GUARD DIVISIONS are being prepared for a vital new role as guardians of America's Security.

Sixty-two Glade boys are members of Company E of the 211 Infantry Regiment.

These boys train and drill each Wednesday night to maintain a standard and are inspected periodically to insure this standard.

They are carried on a two weeks encampment, where battalion regimental and Division maneuvers may be practiced. This annual encampment is by no means a vacation, as long hours of back-breaking drill, marching and maneuvers include no time for eight or ten-hour days. Fourteen to eighteen hour days are the average.

You can help your NATIONAL GUARD by granting this time off without prejudice to your last week of school.

These boys are YOUR FIRST LINE OF DEFENSE, as proven in the last two wars; HELP YOURSELF BY HELPING THEM.

We're "sitting on a powder keg" internationally; do your part to the extent of your ability, to BE PREPARED.

If You're A Sorehead And Don't Like Music, Don't Read This!

Belle Glade's High School band has made progress in keeping with the unusual growth of Belle Glade in its five years of existence.

More than fifty high school students have been whipped into shape with instruments, uniforms and technique enabling the band to make a creditable showing at football games, parades, dedications, benefits and other appearances before public organizations.

The State Competition, which is in annual spring affairs, keeps the band's members busy up for technical competition, and our band has placed in these contests.

It is customary for communities represented by High School bands to "sponsor" instruments and uniforms for their bands. The word "sponsor" has a deep meaning—the long green, or white, with a deeper meaning—enthusiasm, involvement.

Judge Johnson Is Tough On Drivers Who Are Drunk

Judge Jack O. Johnson, in police court, proved to two offenders that he had no sympathy for the motor vehicles on the highway, and that he was not only punishing the driver, but also attacking a \$95.00 fine and cost on them. One of the men was driving a tractor, and the other a truck, on the South Bay road.

Vicky Jackson, a colored woman, who was hauled into court on a motor vehicle complaint last November, told the court she just had not got around to making any improvement in it that she had ordered. She promised to get it fixed.

The court gave her a five of ten days in jail, or a fine of \$100.00, or both.

William Sauters had a quarrel with his wife, so decided he would abandon her and the four children, and hike himself off to Georgia to see an alleged sick mother. Before he left the house he took some \$55.00 from the money which the wife had taken from her own and children's earnings. Police caught Sauters at the bus station and threw him into the jail. The court assessed Willie the stiff sum of \$100 and costs, and the privilege of working on the street chain gang.

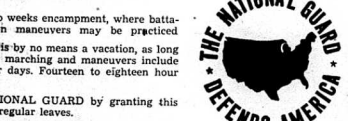

Pahokee Wins In School Field Day Athletic Events

The Glades public schools, on Friday afternoon, held their annual May Day Field Meet at Laird field in Pahokee, before a sizeable crowd of athletic fans.

The Belle Glade high school girls basketball team swept the Pahokeeites by a big score of 32 to 10. The Glades boys also won their softball contest 7 to 3.

In the senior girls event Belle Glade won five first place trophies. The Junior Pahokee girls swept the field, winning five in one honored position.

Julian Snyder of Pahokee, who shows great speed on the football field, again showed his nimbleness of feet, by copping both the 100 and 200 yard foot races. Pahokee took seven of the ten first place positions, while Belle Glade garnered in only three. Billy Joe Leathers (Continued on page 2)

Local Graduation Exercises Set For Night Of June 3

The County Board of Public Instruction has announced the schedule and dates for holding high school commencements in the school system. The dates for the Everglades section schools are stated as follows: Everglades Vocational school, colored, at Belle Glade, on June 2nd, at 8 o'clock in the evening.

The Bolles High school, white, will come on Friday evening, June 3rd, at the school auditorium at 8 o'clock; and Pahokee High, on June 7, in an evening ceremony.

Principal Frank O. Hobson states that the week's activities will be as follows: Sunday night, Baccalaureate sermon, by Rev. B. A. Oswald, of the South Bay Baptist Church, the Auditorium; Tuesday night, Class night; and commencement Friday night.

Auto Accident Takes Life Of Infant Erwin

A distressing accident which caused the death of 17 months old Robert Church Erwin, occurred on Tuesday afternoon, when he was run over by an auto driven by Dr. R. Allison, superintendent of the station.

Dr. Allison came out and entered his car after passing in front of the station, and was lying under a tree, then around to the back where he put the car and on to the left door.

The child was run over by the car before entering the car. Not seeing or expecting that child was around, the car being in the street—he cranked up and started the car. Just previously the child had been in the back yard of the Allison home.

The victim was rushed to the Memorial Hospital but was pronounced dead when it arrived there.

The child was the son of Mr. and Mrs. E. Erwin, the former an agricultural chemist at the station, and was one of three children.

Police investigated and proclaimed the death due to an unavoidable accident and cleared Dr. Allison of all charges.

The child is survived by his parents, two brothers, Roswell and David, and a sister, Frances. Mrs. R. C. Erwin, of Winter Haven; and grandparents, Frank and Mrs. Aaron Henderson, of Pahokee. Plans for a funeral home took charge of the body.

New Moose Lodge To Be Instituted With 200 Members

According to Charles Hudson, organizer for the Moose Lodge, this has been working up a prospective membership in the lake territory in Palm Beach county, the new lodge will be formally instituted at the end of the month next Sunday afternoon at 2 o'clock. This lodge will be 45th in the State of Florida, and their interest center around the Home for the Aged at Orange.

Among the grand officers expected present to conduct ceremonies will be Deputy Supreme Governor, George S. Okell, of Hollywood; State Director, Frank Ray, of Jacksonville; Member-Director, R. A. Raymond, of Hollywood; and Grand Officers of Moose lodges of Florida.

A treat is in store for the club of near 200 members as the degree work will be conferred by the crack degree team from West Palm Beach, who are having a high rating in the state. The instituting work will be charge of Frank Ray.

Local Graduation Exercises Set For Night Of June 3

The County Board of Public Instruction has announced the schedule and dates for holding high school commencements in the school system. The dates for the Everglades section schools are stated as follows: Everglades Vocational school, colored, at Belle Glade, on June 2nd, at 8 o'clock in the evening.

The Bolles High school, white, will come on Friday evening, June 3rd, at the school auditorium at 8 o'clock; and Pahokee High, on June 7, in an evening ceremony.

Principal Frank O. Hobson states that the week's activities will be as follows: Sunday night, Baccalaureate sermon, by Rev. B. A. Oswald, of the South Bay Baptist Church, the Auditorium; Tuesday night, Class night; and commencement Friday night.

State Audit For EDD Directed By Gov. Warren

Indications are that one of the results of the proposed Flood and Water Control project will in time be the passing of the present Everglades District, after requirements are met, to be absorbed into the greater district.

On last Saturday, upon action of the present board of directors, its Council, Waring Miller, announced that he would ask for a state audit of the financial affairs of the District since 1913, since there had never been such an audit.

This audit is desired so that the Board can know where it stands financially and otherwise, before any contracts are absorbed by the proposed Flood control district.

Governor Fuller Warren, acting upon the request of Miller, on Tuesday, directed that such an audit be made, to be begun as soon as possible.

Farming Activity Of A Busy Season Coming To Close

Most of the crops have been harvested in the Glades, but there will still be small shipments of celery, corn and black eyed peas going out for the coming two weeks. The season's shipments, have been large, and the aggregate rail and truck movement was without a doubt set up a new record for a spring crop. Many of the local growers are now reconditioning their equipment and placing it in summer storage in preparation of enjoying a summer rest period.

The State Employment Bureau which has charge of the migrants, has already formed a local unit and placed it in the hands of the local contractors have also lined up crews for special destinations.

William L. Wilson of the State Marketing Board, states that Florida will harvest the largest crop of tomatoes in its history. Good weather, growing conditions and the absence of blight made this record possible. Growers have secured the most satisfactory prices all season. Income from tomatoes at the "Pierce" market will exceed three and a half million dollars.

Coach Cooke Leaves Belle Glade For Lake Worth

What has long been rumored became a fact on Tuesday when the County Board of Public Instruction took action, which transfers W. C. Cooke, for five years coach of the Golden Rams to Lake Worth, where he will head up the Trojans athletic department starting in September, a school which has been without an official coach and director since last October.

In view of the fact that Coach Cooke had made such an excellent record with the Golden Rams, the Board has had him in mind for the Lake Worth position in the affirmative, despite his regret in leaving Belle Glade and his beloved Rams. The Board's most regretful that "Bruiser" is to leave them, for

Billy Mathis Now Has The Mumps

"Billy" Mathis was returned to his home from St. Mary's hospital, Saturday night, where he was found to be afflicted with a severe case of the mumps in addition to his other brain malady. Surgeons making examination found a slight pressure on Billy's brain, and they are hoping that the mumps situation may be a part of the cause of his ics illness.

Pastor J. A. Crews Will Remain Here

Community Bible Center meetings under the direction of J. A. Crews and sponsored by the Seventh-Day Adventist Church, will come to a close on Sunday, May 22.

Mr. Crews has been conducting meetings for the public in the community Bible Center.

The County Board of Public Instruction has announced the schedule and dates for holding high school commencements in the school system. The dates for the Everglades section schools are stated as follows: Everglades Vocational school, colored, at Belle Glade, on June 2nd, at 8 o'clock in the evening.

The Bolles High school, white, will come on Friday evening, June 3rd, at the school auditorium at 8 o'clock; and Pahokee High, on June 7, in an evening ceremony.

Principal Frank O. Hobson states that the week's activities will be as follows: Sunday night, Baccalaureate sermon, by Rev. B. A. Oswald, of the South Bay Baptist Church, the Auditorium; Tuesday night, Class night; and commencement Friday night.

Masonic District Given New Deputy In Wm. J. Hendry

Lodges of the 22nd Masonic district were held on Tuesday night by the new Worshipful Grand Master, Wayne Allen, of Tampa, that Hon. William K. Hendry, of the State Legislature, was the new District Deputy Grand Master, succeeding Irvin Huggins, of Lake Worth, in that position. Hendry is a prominent business man of Okechobee, and also a member of the Order of the State Legislature.

The Acts become effective immediately upon becoming legal law, either by signature by the Governor, or otherwise.

Observation And Comment By John M. Gladhill

The announcement of the fact that Coach W. H. Cooke is to be transferred from Belle Glade to Lake Worth, the coming year, brings much regret to the members of the director's position. Hendry is a prominent business man of Okechobee, and also a member of the Order of the State Legislature.

The Acts become effective immediately upon becoming legal law, either by signature by the Governor, or otherwise.

SAME OLD STORY

Dr. E. L. Henderson, of Louisville, recently attended the sessions in Rome of the International College of Surgeons—his third European trip in 14 months as a delegate from American medical groups. On his return from the latest journey he said that if the members of Congress could see how state medicine works abroad they would never think of introducing it in this country. In every European nation where socialized medicine is practiced, he added, there has been a decline in the standards of medical care.

More evidence to the same effect has come from New Zealand, whose government medical program has been in operation in this country where it went into effect. The bill for tax-paid medical service rose nearly three times between 1942 and 1947. Even though the politicians had promised unlimited benefits to the voters, they were forced to ask the doctors to restrict services to their patients—a request which the doctors have refused to follow. The burden on the doctors has become so great that in many instances appointments have to be made four months in advance. Patients queue up in the doctor's office whether they need attention or not, on the theory that they have it coming. The whole New Zealand plan has been pretty much of a fiasco, and is now in the process of revision.

The story of what politics does to the practice of medicine is always the same. It can be summed up in a phrase—poorer and more costly service.

State Building Access
Roadway Inside The
Local Air Field

The State Highway Department has moved in equipment and has a crew of workmen busy building a new roadway inside the air field park, from the north bridge entrance around to the Hines hangar. The road will be nine feet wide constructed of rock from the Starling pit at South Bay. This improvement will make it possible for trucks with fuel and gas to get into the air port in all kinds of weather and conditions.

A space is left between the new road and the canal along the west side of the field, for the latter building in of parking ramps for the parking of field planes. The canals are much pleased with this improvement which will be of great benefit to them.

Curtis and Richard Cherry are already in New Jersey busy dusting, Lamon Autman and Mr. Roman, are leaving for central Jersey this week, for summer employment.

Four-H Girls To
Day At Pahokee

Announcement has been made by the Home Demonstration 4-H girls, who will hold their annual Achievement day program at the high school building in Pahokee on May 14th.

Club girls as individuals and as club organizations will make a fine display of their Home Economic work, and these displays are always interesting to inspect. Awards will be given the honor winners of each class.

At this meeting the girls selected to attend the Girl's State at Tallahassee in June will be named. The Elks Lodge of South Bay.

From where I sit... by Joe Marsh

How Would You Say It?

Carley Lawrence's cousin from back East and a few of our gut talking men were here visiting, and I couldn't help noticing how different he said things.

For instance, he said, "Lifting that 100-pound bag of cement all alone, you're a real tough guy." You mean each one of you is a real tough guy, I said. "No," interjected young Elliott who spent a lot of time down South. "He means a 'pule' of one went."

It was good for a chuckle, anyway. Bag, sack or pole—we know

Graduates Requested To Call At Employment Office For Aid

"Heads or tails?"

Tossing a coin may be one way of helping a young prospective career man or woman decide upon which field of work to enter, but according to A. M. Larrimore manager of the Belle Glade office of the Florida State Employment Service, there is a much surer way.

In giving advice to May and June high school graduates Larrimore emphasized that "The wise thing to do if you haven't yet decided what job to aim for is to talk to a qualified person who can help you determine what is the best field of work for you."

Larrimore pointed out that after a young person has chosen a career, he should find out as much as possible about the oc-

cupation—what the duties are, whether further schooling is needed, approximately what the chances for advancement will be, if the field is overcrowded if it can absorb young hopefuls.

The Belle Glade Employment Service office, "I. e. manager," has specially trained men who can help you decide what you should work towards. And we can help you complete the information on hundreds of different

occupations, including all the above points.
 Students interested in choosing a career or in finding employment will receive free help at the Belle Glade office of the Florida State Employment Service, located at 125 S. W. 2nd Street.

Coastal Truck & Equipment Co.
Belle Glade East Palm Beach Road

OBSERVATIONS
Continued from page 1
with the local athletic staff the past two seasons, is to become Coach's successor, and he's hoping for the best for him and his teams.

Every one of the large crowds which attend the May festival piggant at Memorial field last Friday afternoon, had a lot of fund and entertainment, and a swell time. The children were the chief actors and they like the elders got lot amusement out of it.

When the Baptists get their entire church project completed the Community Methodist church its new sanctuary and chapel, and the Everglades Presbyterian church erects its proposed church plant, these three churches will be well fixed for church and school facilities for many years to come. Each and every one of these proposed churches will be a credit to the congregations and the city alike.

There are very few young men in Belle Glade who have more friends than Billy Mathis, and each and every one of them are hoping that the boy will successfully come out of his serious illness.

One big farm in Belle Glade sector, who specializes in a group of diversified crops, is currently reported, to have sold over a million dollars gross of vegetables off its section of land this past season. That kind of operation almost becomes big business.

There was a spirit of gladness and thanksgiving showing all over the faces of the Belle Glade colored people, at the elementary school corner stone laying last Saturday. To see the cornerstone placed and to look over the construction work already up, was an answer to many prayers of these who know about and want excellent educational facilities for the children. When our Negro children go out to contest against other like schools they usually make creditable showing.

The past week an even one hundred cars of sweet corn from the section of the Everglades section. The season record will show a total of more than 700 cars of this tab; luxury, not counting truck movements. Pretty good for what might be called a side crop. Glades farmers seem to have gotten onto the knack and the know-how of raising good corn, and in the last long of the year they have won warm enemies. Eight thousand acres of land were planted to corn this season.

The green bean vines of the past few months are now turning yellow and sear, indicating that they have fulfilled their purpose in the vegetable life. Weeds will soon be sprouting to cover the rich lands during the hot summer.

Ball and Kirchman, specializing in bean and cabbage, ended their harvest and shipping season on Friday. From their fields around 60,000 packets of their products have been garnered. Pre Wee and Louie Kirchman, with their crops mostly beans, cross around 75,000 packets.

You have heard pigs and stock mentioned as having been corn fattened. There has been more or less good corn on our table the past few weeks, and if any love corn it is they miss it. Have heard remark that she was getting a tightness around portion of her anatomy, which required the "letting out" of numerous dreads.

The Belle Glade Lions club has an interest in the Belle Glade Memorial hospital, as its Board of Control, has given its check for \$100.00 to be used in the installation of an electric call bell system from the patient rooms and wards to the nurses headquarters and main office.

It was twenty five years ago that the first experiment was made in growing of winter crop potatoes in Florida. Hastings, now the center of the vast north Florida growing area, was where the experiment was made by a few courageous farmers. Now through co-operative plants, hundreds of farmers are growing the winter spuds, Red Bliss, Sebago, Pontiac, Idaho and other species. The Sebago is rapidly replacing the Red Bliss, owing to its better acreage production. Dade county is the second largest growing potato area of Florida, but here in the soil prevailing the Red Bliss is the prevailing type of potato. Lee county also is coming along well as a potato growing area.

Report from the State Board of Agriculture is to the effect that 22 parties grew near 70-

000,000 bright leaf tobacco plants in Florida this year, most of which went to Georgia, Tennessee and the Carolinas, where plague free plants cannot be longer grown. No plants were grown shipped from Palm Beach county, owing to a virus disease known in tobacco circles as "Elch". However Marlin Orange and St. Lucie counties from the Indian town and 75th and 71st Pierce sections grew and shipped millions of certified plants.

OBSERVATION
I have been within the sound of the work going on the remodeling of the Glades Appliance Corporations building. I have heard the pound of the hammer and the rasp of the saw. I truly believe those carpenters put more force on the saving of the boards, and hit more blows and harder ones on the driving of nails than was customary on some jobs I have observed. I swear those fellows did not loaf or take too many resting periods and really earned their high wages.

A couple of my St. Cloud friends, though it would be nice for me to enjoy a fishing trip in celebration of my birthday. I that so too, that trip was made somewhere in the wilds back of Malabar in Brevard county; to what is known, locally as Canal 40, a retention canal and reservoir built many years ago by the State, to gather parate flood waters, and a protection for most of the citrus. This is a deep body of water, 14 miles long, and for scenic beauty would be hard to excel. It proved to be a banana fishing waters, with black bass predominating. Our party was successful in our fishing quest, and that bank supper, did prove tasty and filling.

Okeechobee is no longer the sleepy little cow town. Great improvements are noticed in parking houses, and the big parking spaces are all filled on Saturday night, indicating that merchants are making that a good money bet. Next trip mon to see the Seminole Indians from the Brighton reservation arriving in their autos and unloading to enjoy a period in the city. They are rather strong on the picture shows, and ice cream.

Herb Mosher, the sportsman from Orlando, states that from reports he has gathered from sportsmen who have visited Lake Okeechobee for fishing purposes, that the big lake is still the best and most consistent fishing water in Florida. He also states that more out-of-state sportsmen have come to Florida this season than for many years.

The C. O. Willis stock farm over near Labelle, in Hendry county, has just completed a very profitable project, with very good results. Tests were made with molasses and other fattening foods. The cane used in the tests was of the CO-290 type. Eight Brahman and Angus steers were fed from December 1 to January 30th, when they were turned on pasture.

County Agent Mounts is much pleased with the progress being made in the cattle business in this county. In five years the number of big scale cattle herds have grown from two to twenty five, along with many other smaller ones. A large volume of beef cattle are brought to slaughtering condition on the fine grasses of the Glades. A number of dairymen of Dade and Broward counties are shifting their pastures to this county, mostly to the Lake Work Drainage district area, because of better protection and richer pastures.

Miami Lawyer Named
As Director Of The
Everglades District

Governor Fuller Warren, in Tallahassee, accepted the resignation of Dewey Hilsbeck, as a member of the board of trustees of the Everglades Drainage district, and selected Henry L. Oppenborn, of Miami, as his successor.

The new appointee is the senior member of the law firm of Oppenborn, Mincer and Rocco, and for many years, was a Miami justice of the peace. He is also a prominent member and worker in all the Masonic bodies in Miami.

Cypress Lodge At
Port Mayaca Sold
Five acres of land, on which the Cypress Lodge is located, at Port Mayaca, has recently been sold by Mr. and Mrs. A. B. Chastain, who have owned it for the past two years, to Mr. and Mrs. Wm. S. Evans, of Port Mayaca, consideration \$55,000.

Moore Haven Section
Farmers May Establish
A Co-Op Packing House
Carl Settle, of the Moore Haven Democrat, devoted his column the past week, to pointing out the great growth in

agricultural work in Glades and Hendry county, and predicting a great future in that line, for farmers who have the courage to take up farming, along with cattle production.

Around Moore Haven it has been found that the sand lands can produce quality crops of most vegetables, which will bring top prices. Potatoes, tomatoes and sweet corn are the commodities which have proven most profitable.

Settle points out that there is a "fly in the ointment" in that the farmers and school boys units have no packing house, where they can readily sell their produce, with out having to go too far away to sell.

He and others are advocating the establishment of a packing and pre-cooling plant somewhere in that section, where growers can be given packing service and quick returns for crops sold.

The "larger growers," along with the County Agent, are soon to meet in conference to plan on the establishment of such a packing house on a co-operative plan, and they are of the opinion that it can be made to be profitable.

Fire Riddled Building
Will Be Razed For New
Replacement Structure

Bearden and Hopkins, who own the building in which the former L and B Bar was located before it was gutted by fire on last Friday, are preparing to raze what remains of the old building, and will replace it with a fine new concrete and steel building.

One of the reasons why the interior fire was so fierce, was due to two tanks of butane gas

located in the kitchen escaping when the cooler tubing melted. Tiny Weeber also finds that the rear of his new building has cracked, and will need to be replaced, so he has taken out a building permit for that work.

Mr. and Mrs. O. E. Archer, of Miami, have purchased the Self Service Laundry, over in the Bill Pierce industrial center, and will operate it on a schedule named in their display advertisement in the Belle Glade Herald.

What Does The
FUTURE Hold
For Your Car

Don't wait until your car needs costly repairs! At the first sign of trouble, bring it to PIONEER for a complete check up.

Our expert mechanics will give you the best service in major or minor repairs.

This Spring...it seems everybody's fancy is turning to
the most Beautiful BUY of all

The Fleetline De Luxe 4-Door Sedan.
While colored lines optional on some cars.

and the reason is,
it gives so much...and costs so little to operate and maintain

The most Beautiful BUY for Styling

All your friends will say, "What a beauty; what a buy!" For this car has a Body by Fisher—exclusive to Chevrolet—and higher-priced cars.

The most Beautiful BUY for Driving and Riding Ease

Chevrolet's new Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity without loss of road clearance, and Center-Point Rear Suspension—gives entirely new driving and riding ease.

The most Beautiful BUY for Thrills and Thrift

Yes, so great is the demand for new Chevrolets this spring that it seems everybody's fancy is turning to this most beautiful buy of all. All America is thrilling to the fleet, flashing lines and colors of Chevrolet's Bodies by Fisher. To the sparkling and spirited performance of its Valve-in-Head Engine... and to the extraordinary new driving and riding results imparted by its famous Center-Point Design. And all America is agreeing that Chevrolet is the only car that offers all these advantages of highest-priced cars and costs so little to buy, operate and maintain!

The most Beautiful BUY for Comfort

You'll be truly comfortable, even if you ride all day long, thanks to a Super-Site Interior—deep, form-fitting "Five-Yoke Seats"—and extra-soft head, leg and elbow room.

The most Beautiful BUY for All-Round Safety

—with new Certi-Safe Hydraulic Brakes with Dual-Life brake linings; extra-strong Fisher Unitized Body; Panoramic Visibility; Safety Floor Glass throughout; and the super-safe Unitized Knee-Action Ride.

SOUTH BAY BEAN CITY LAKE HARBOR

Miss Alice Nason of Boston, Mass., was the house guest of Mr. and Mrs. Walter H. Thames, Jr., for several days last week.

Mr. and Mrs. C. J. Brown and J. W. Warren enjoyed a fishing expedition to Fishing Creek on Thursday.

Mrs. C. A. Whitman, Sr., has gone to Swainsboro, Ga., called there by the death of her brother-in-law, Claude Fagler, in a highway accident recently.

I'm from Milwaukee—

I ought to know...

BLAZZ

IS MILWAUKEE'S

FINEST BEER

GENE RAYMOND

Famous Movie Star

Mr. and Mrs. H. C. Odum moved to Bean City Saturday.

Walter Leathlean had a narrow escape from injury one day last week as he was going to school in a light shower. He had a sack over his head to keep off the rain and did not notice Mrs. Louise Herring backing out of her driveway. He was struck by the slowly moving vehicle but fortunately was only superficially injured. He was rushed to the hospital and given first aid but no serious injury was discovered.

Mr. and Mrs. L. N. Boyd and family who have spent the winter in South Bay left for their home at Wedowee, Ala. Mr. and Mrs. Charles Boyd will be located at Heflin, Ala.

Mr. and Mrs. Lyman Smith of Macon, Ga., are spending the week with Mrs. Leonard Roberts.

Mr. and Mrs. W. A. Allen and three children of Ft. Lauderdale were recent guests of Mr. and Mrs. W. C. Allen and other friends in South Bay.

Jesse Barnes has purchased the Dick Miller home at South Bay. The Millers moved to Moore Haven early last fall and purchased a home at that point.

Mr. and Mrs. F. L. Miller, Mr. and Mrs. Don Hamilton of Daytona Beach were the Sunday guests of Mr. and Mrs. C. E. Crichfield and family.

Mr. and Mrs. L. D. Dameron, Mike and Linda were the Sunday guests of Mr. and Mrs. Alfred Vadass.

Mr. and Mrs. Julian Clark and wife children of Tampa spent the Mother's Day week end with her parents, Mr. and Mrs. John Challancian and family.

Mrs. Edna Walker, Marlene, Pauline and Rodney, Mr. and Mrs. Earl Walker visited Mrs. Maxine in Miami Sunday, also Calvin Walker who is recovering from a recent tonsillectomy at Frost General Hospital. They also enjoyed a picnic at Greynolds Park.

Residents of Bare Beach report a freakish storm with a 70 mile wind and hail Saturday afternoon. Trees were uprooted and some little damage to plantings of ornamentals and fruit trees.

Mr. and Mrs. Fred Cato and family spent the week end with relatives at Nocatee and were accompanied on their return by her mother, Mrs. S. F. Johnson who will visit here for a time.

Mr. and Mrs. F. B. Willis and children, Frankie, Dan, Dick and Doris enjoyed at outing at Fishing Creek Sunday.

Mr. and Mrs. Jack Keene of Miami visited Mr. and Mrs. B. Barnes and family Monday.

Mr. and Mrs. Walter Burney visited Mrs. Signe Burney and other friends here Monday.

Mrs. Joe Peterson has returned to her home in Pennsylvania after a ten day visit with her daughter and son-in-law, Mr. and Mrs. W. G. Bowen and family.

Mrs. Alfred Vadass, Karen and Karol Vadass and Miss Moneva Barger spent Saturday in West Palm Beach.

Buffet Lunch Served
Guests At Birthday Party At Bean City

J. Frank Prevatt was complimented on his birthday last week at a buffet supper at the home of Mr. and Mrs. C. A. Armstrong at Bean City.

Guests were Mr. and Mrs. J. H. Harrelle, J. P. Prevatt, Mrs. J. W. Lyons, Mr. and Mrs. E. E. Dasher, Joe Hogan of Palmdale, Cathie Armstrong, Mr. and Mrs. L. O. Rosendahl of Clewiston, Mr. and Mrs. Valton Sheffield, Mr. and Mrs. Gibb Cross and Mrs. Mary Leonard of Belle Glade and Elvie Smith of Lake Harbor.

Miss Martha Jean Ratley and Miss Helen Prevatt entertained the 9 and 10 year old Junior Boys Sunday School Class and their friends at a lawn party and Weiner roast at the L. O. Ratley home Friday evening.

A very hilarious evening of games was enjoyed by Mrs. Dorothy Yarborough, Mrs. Wayne Elledge and Mrs. L. O. Ratley assisted the hostesses in serving refreshments of toasted marshmallows, weiners and soft drinks.

Those attending were Robert Cooper, Bobbie and Delores Willis, Lewis Buckner, Tony Woodham, Johnny Prevatt, Bobby Brown, Larry Yarbo-

ugh, Carol Jean and Beverly Lee, Mary Mathewson, Gloria Greer, Cherry Hardy.

South Bay Women Given
Enjoy Hilarious Lawn Party

Mr. and Mrs. J. W. Mathewson of South Bay entertained a dinner Wednesday evening honoring Mrs. R. S. Donaldson and son, George, at their birthday party.

Other guests were Mrs. Fred Slatley, Mr. and Mrs. Lee Eckman, Mrs. Ruth Murphy and son, George, Mrs. A. L. Cumpston, Mrs. I. P. Roberts, R. S. Donaldson, Dorine, Margene and Mary Mathewson.

Variety Program Put On

By Demonstration Club

The Women's Home Demonstration Club met Thursday afternoon at the Recreation Hall, at South Bay, Mrs. A. N. Lamoureux presiding.

A report on the recent Achievement Day Exhibit at West Palm Beach was presented by Mrs. E. W. Mutchler, Council delegate.

Miss Sara Horton, home demonstration agent, was asked to be present as she was acting as one of the judges at the Achievement Exhibit in Dade County.

A demonstration on drawn work was presented by Mrs. W. M. Jeffries, who taught the art to those attending.

The 4-H Club Girls made dresses they have made in 4-H work this year in a preliminary dress review under the direction of Mrs. Laura Willis, local 4-H leader.

An effort is being made to raise funds to send two of the local 4-H girls to camp this summer, presenting them with a scholarship.

CANCER FIGHTING AWARD—First annual award in Florida from the American Cancer Society for outstanding service in the fight against cancer goes to Dr. R. F. Sondag, of Jacksonville, Director of the Bureau of Preventable Diseases, State Board of Health. Dr. Sondag directs the state-wide cancer control program and, in addition, has given countless additional hours to advance the American Cancer Society's program. The award was presented by Mrs. O. B. Carr, of West Palm Beach, Chairman of the Society's Florida Board of Directors, at the director's semi-annual meeting in Clearwater.

scholarships as a reward for completing their years work and records satisfactorily.

Mrs. A. B. Barnes was hostess for the afternoon serving light refreshments to Mrs. W. H. Barnes, Mrs. Fred Cato, Mrs. Mollie Covell, Mrs. Verda Higginbotham, Mrs. Alice Lamoureux, Mrs. F. W. Mutchler, Mrs. E. M. Willis, Mrs. W. M. Jeffries, Miss Alice Nason of Boston and Miss Fernandez of Colneville.

You'll be pleasantly surprised— AT THE LOW COST OF AN EXTENSION TELEPHONE

Do you know you can have an extension telephone in your home for only a few cents per day?

The cost is mighty small when you consider the many advantages an extension telephone provides for the home and family. It saves time and steps, affords privacy on the telephone,

protection in an emergency. It makes your telephone more valuable by increasing its usefulness.

All you have to do is call the Telephone Business Office and say: "I'd like to have an extension telephone installed." Why not order yours today?

Orders for main telephone service are sometimes delayed because of shortages of central-office and other equipment, which are not involved in the installation of extension telephones.

Post-Mortem at 'Namru One'

The Naval Medical Research Unit No. 1, at the University of California at Berkeley, directed in 1943 to investigate possible enemy use of infectious diseases as weapons. It has since gained considerable knowledge of mass defense against disease, but also has accumulated invaluable information for the control of communicable diseases among the general population. Photo shows an autopsy under way on an animal infected during the course of studies at "NAMRU ONE." Protective masks are worn by the laboratory researchers.

(Official Navy Photograph)

Florida Press Association
Will Hold Fall Session
At Naples Beach Hotel

The executive committee of the Florida Press Association from the list of invitations filed for the fall convention, has selected Naples, as the place of holding such convention. The palatial hotel on the beach, a mile from town, has been selected as headquarters. The Collier county papers editors promise to work up a fine program for the occasion and editors and writers are requested to bring along their beach equipment.

A special meeting of the Association, in which presumes and shop mechanics are to be invited guests, is to be held at Lake Wales, on August 26-28. This event will be devoted to a printing equipment clinic and school. Leading producers of modern printing equipment will have displays and head men to give instruction on all machines and processes of printing. It is expected that several hundred "back office" foremen and workers, will be there to gain

the latest information on printing processes.

LOCAL HOSPITAL

Continued from page 1
Ruth Wedgworth, past president of the board; Robert Douthett, chairman of the Pahokee city commission; Mayor William Jeffries, of South Bay, Commanders Sidney J. Smith and Fred Ogle, of the American Legion and V. F. W. posts; City Commissioner Frank Dooley, John M. Gledhill, associate editor of the Belle Glade Herald; Dr. VanLandingham county health officer; Mrs. Harrison Raul and Mrs. O. C. McWhorter, the Reverends Vandewater, Enlow and Phillips, of the Hospital Auxiliary, and the entire hospital staff and Mrs. F. E. Hollingsworth, a Gold Star mother.

One Legion and Veterans Posts conducted the flag presentation, with Clyde Clayton in charge of the military escort, and L. C. Young as the color guard. Commander Fred Ogle presented the flag to W. P. Risk, chairman of the Hospital Board, as a gift from the military bodies, and soon "Old Glory" was floating from the flag mast, at half mast. In memory of the war dead. This indeed was most serious and imposing ceremony and all stood with bowed heads, as the band played the National Anthem.

Master of Ceremonies Johnson made a very pleasing introduction to presenting the speaker of the day, Charles Francis Coe, who in turn gave a short but an appropriate and pertinent address fitting for the occasion.

He paid compliment to the pioneer spirit of the Glades people, and their ability to cope with most any situation, even with hurricanes and crop reverses.

He cited that the south west portion of the lake region were indeed fortunate to have fallen heir to the fine Government hospital, with its unexcelled equipment and as it was now the people's property, that it should be given undivided support, for it was a health center for the community area, the like of which few large cities can equal. He termed the hospital a "Living Memorial." He cited that it was most appropriate that the hospital should be dedicated as a memorial to those men and women who had paid the great sacrifice during the late war; along with thoughtful memory and gratitude to former veterans of preceding wars, and was pleased to see the veteran organization participating in the ceremonies and taking an interest in the institution.

The hospital with its new adornments and in spick and span condition, and much new modern equipment, was thrown open for public inspection, and the visitors made the most of this opportunity, it being the first time that many had ever seen the hospital and its wonderful facilities for caring for the ill and injured. Members of St. Mary's Altar Guild acted as guides during the inspection hour.

Special interest was shown in the maternity ward, the incubators, and the row of cribs in which the babies are placed in air cooled rooms. The new oxygen tent and its attachments, the very latest type, and the fluoroscope machine for X-Ray work, were among the new equipment.

Plaque on three doors, showed that one room had been furnished by the Professional and Business Woman's club another by the Beta Sigma Chi Sorority, and the third a memorial room for the late Dr. W. J. Buck, to be provided by the Legion, Elks and Rotary clubs, which will be dedicated at a later occasion. The Lions club's donation was a new signal system.

Following the inspection trip through the hospital, guests

were invited out to the refreshment stand, where fruit punch and cookies were served by Mrs. E. D. Humphries, Mrs. George Williams, Mrs. Thomas Brugger, Mrs. Frank Dooley, Mrs. Joe Friedlund, Mrs. Karl Campbell and Mrs. McWhorter.

The lobby of the Hospital was much most attractive by numerous floral gifts which had been sent in by business firms, families and individuals, some of them being Mother day remembrances.

When state legislation is completed the present Western Palm Beach Hospital District is dissolved, the Belle Glade Memorial hospital and the Everglades Memorial Hospital (World War II veterans) will be operated as separated districts, not jointly as in the past. Pahokee district is now in the process of providing its own new hospital plant to be erected on the Canal Point road a mile out of Pahokee.

IF YOU'RE A SOREHEAD

(Continued from page 1)

Their children will wear, and all parents will contribute to the best of their ability.

Some parents just can't afford even a partial denture, and their children are needed to make a well rounded band.

If you can afford to buy two or three, or even one uniform to be owned by the band, pass forward. If you can't buy one whole uniform we can find a pair of pants to go with the coat into which may be placed a pair of sleeves you will buy. We might even find a finished coat on which to place the buttons and the other dressings.

If you get us right, we will just take whatever you feel you want just whatever you feel you want to give.

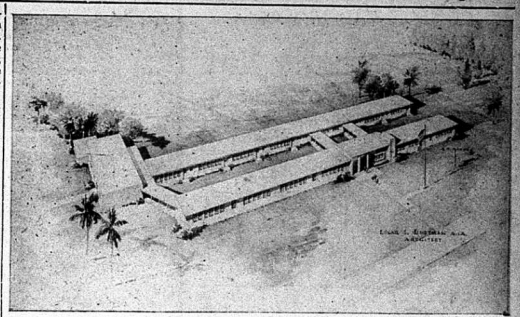

Remember, you're primarily helping musically talented kids who need it.

Incidentally, the Community doesn't suffer from a snappy High School Band steps out in the presence of visitors or strangers.

Whatever you will do will be appreciated.

In the grade school, the third through the sixth grades, 22 students are now beginners and will take their place in the active marching and concert band as soon as they are ready. In the primary grades 70 are now practicing daily on song flutes, a preband instrument, which will help to determine their band, and ability to enter the band.

Summer band school will open on July 18th and will continue until the opening of school. Parents interesting in enrolling their child are to contact Director Payne at the

school. There is no fee and the classes are sponsored by the State.

Another band story will appear in next week edition of the Herald.

Methodists Launch Campaign For Raising New Church Donations

At the morning worship services at the Community Methodist church, Sunday morning, the pastor, Rev. Leonard Vandewater, conferred the rite of holy baptism upon Patsy Dooley and Jimmy Dooley, daughter and son of Mr. and Mrs. Frank Dooley. The young man was also received into church membership. A large assemblage was present to hear the Mother's day address and musical program.

At the Sunday school hour, awards were made as follows: Oldest mother present, Mrs. Clara M. Gledhill; couple longest married, Mr. and Mrs. Chas. Beck, of West Palm Beach, 53 years married; Mrs. Bruce Williams the youngest mother and the mother of the youngest child, an honor that she won last year, for the same reason. Mrs. Walter Hooker, with the largest family present, (11), each of the winners were remembered with suitable Mother's Day present.

Mrs. James Ball, presented the Church Building Committee's appeal for financial support for the new sanctuary project. Each person was presented with a folder containing a history and data concerning the Community church.

The congregation met in a township gathering on Thursday night, at which time the soliciting program was launched to secure the desired amount of \$80,000 for the building program. Rev. L. Ray, of

Prospective new Negro Elementary school house which is now under construction in the west portion of the city.

Jr. Red Cross
To Present Operetta

The American Junior Red Cross Club of Belle Glade Elementary school will present an operetta of the school Thursday night, May 19, at 8:30 o'clock. The title of the operetta is "Sissy Head". The children and the J.L.S. sponsors have worked hard to make this operetta one of the outstanding; representations of the closing season. Everyone is cordially invited.

Pupils See Football Game

Pupils attending the assembly on Friday, May 6, enjoyed a movie of the entire game between Army and Navy of 1946. From their reactions, it was apparent that the pupils enjoyed the film almost as much as if they had been witnessing the actual game. The members of the Athletic Club had secured the use of the film for the use of Lake Wales, church fund specialist, was present and addressed the assemblage.

Independents Ajoin Hang Defeat On The Okeechobee Catfish

The Belle Glade Independent crossed bats with the Okeechobee Catfish baseball team in that city, Sunday, and played an amazing large crowd. Manager Pugh trotted out Harrell and Rhodes as his battery and JT turned in a mighty well twirled game, the final score being 10 to 6, in favor of Belle Glade. League management have decided not to count the first two games played by these teams before being granted admission to the Coast-Glades League, but did count the third contest. This gives the Independents a raking of two wins to two losses.

The Victory Art club, held their Social Meeting, at the home of Mrs. Daisy Murrell. A short business meeting was held, which two delegates were elected to attend the Florida State Federation of Colored Women's club which convenes in Bradenton, Fla., June 12-14. Games were played and prizes awarded. The hostess served a lovely repast and each member was given a Souvenir fan, which disclosed the announcement of the engagement of one of the club members.

Miss Nena Mae McFarlin to Mr. Mitchell Singleton, both are resident of Dayton Beach, Fla. The wedding date, June 2nd. Miss McFarlin is one of the teachers of the Belle Glade Elementary School. She has taught in this community for the past four years.

Hard Rock Struck In Excavation For Railway Extension

Reynolds and Smith, of Lake Placid, contractors building the Atlantic Coast line spur into the Ocala sand mill, have completed the work on the plant end of the job and are now digging rock at the west section.

Work is progressing very satisfactorily and the contractors expect to complete the big job within the next three months. The contract has been a large one because of the expected number of obstacles of an expected nature have been met in the process of the work.

Contractor Smith states that the rock that they have had to drill, blast and remove is the hardest formation that he has ever encountered and that he has been removed several feet in order to work it.

CINEMATIC CHAPTER

By Malcolm Miller

One of the most violent dramas I have ever had the experience of sitting through was "Wake of the Red Witch" when Wayne and Gail Russell, and Boast with the cast of some of Hollywood's cleverest artists. This great Garland Rourke tale of the South Seas will give you an opportunity of sweating through what is presented in this Sunday and Monday at the Hugs Theatre.

Wayne portrays a tempestuous scoundrel torn between love and vengeance and captain of tramp schooner that pirated its way through the Dutch East Indies are torn to a place of respectability.

When Wayne loses the woman he loves, he sinks the "Red Witch" with a fortune in gold bullion on board. The ensuing tale is one of the blood-thirsty revenge, with Wayne and Lathier Adler, (who deserves special mention as the shipping magnate), striking at each other with violent fury.

Gail Russell lends charm and distinction to her role of Angelica, innocently caught in the Batjak maelstrom until it ultimately destroys her. Adele Mara gives a faultless performance as the half caste beauty, who is loved by Gig Young, the Sam Brown of the story. The film is highlighted by several sensational underwater sequences, as John Wayne battles with the giant octopus.

Yes, boys and gals, you'll love every inch of "Wake of the Red Witch."

See you at the movies. - Mal

Mahi Shrine Ceremonies

Mahi Shrine of the Mystic Nobles, will hold its spring ceremonies on Friday and Saturday of this week. Jacksonville Tampa and Havana will send team delegations to participate in the work. The big parade will be staged Friday night and the ceremonies for around 200 candidates on Saturday afternoon and evening. A number of the members from the Glades will attend this reunion.

FT. MYERS POLICE

Continued from page 1

and a portion of the \$75 in money were recovered.

Chief Charles Goodlett, said an idea who the man was that had pulled the job, and sent out a police sergeant to nearby town. The least police thought that Steeps had been driving close around the Murphy store, and had not seen the town since late Wednesday evening, when he was apparently penniless.

It developed that Steeps had a taxi take him to South Bay for \$1.75 and apparently had later made his way to Ft. Myers, where he had disposed of some of the goods stolen in the robbery.

Steeps told the police that he had been in the Murphy store and had gone to the lavatory, then had found a good spot to lie down and rest, and that when he woke up, the store had been closed, and it was then the temptation came for him to rob and he did so. Steeps will be turned over to the county for trial.

Monte Halloway, better known in the colored colony as "Blue" is in serious trouble with the law as a result of his maliciousness of Saturday night. Blue has been keeping company with a buxom colored widow, who is quite an industrious factory worker and money maker. Blue found his amour in the company of a negro who works on the railroad, and that raised his jealous ire. He waited a while until the visitor had departed, and then proceeded to force his way into the widow's quarters, with which he was not unacquainted, took a smoke, and then got a cigar for the woman's money. It is alleged he robbed her purse, a cache in which the kept silver pieces, and also snatched her money bag pinned to her under clothing, when she was leaving soundly from alleged over indulgence in liquor.

The money loss was reported to the police Sunday morning,

Blinded by headlights, one driver veered to the left and jammed dead center into an oncoming car. One was killed; four were injured. Experienced drivers learn to keep their eyes focused on the road, even when long lights glare through their windshield. A clean windshield and a good wiper are necessary to prevent glare.

VERO BEACH GIVEN

(Continued from Page 1)

son, Doggett, Winne, Friedheim, Stein, and Herron, second string players, to go in to play the last two innings. Vero Beach made two bids to get across the home plate but were cut off at that station, and had to be content with goose eggs so far as runs were concerned.

The Rams did not score until the third inning, when McLeod lead off with a single, stole second and then scored on an intended sacrifice bunt. Nelms singled to left, and in the fifth Hooker was safe on Mats' error, Nelms got to first on a similar play, Acee sent Hooker home on a sacrifice. Leather's got a hit and Nelms scored.

Alvin Leather's got a nice hit, and stole both second and third. Pooler sent a nice placed hit to score Leather. Two walks followed the bases, and a hit by Acee sent Herron over for the final score. Trezie and Talbert had a double play for their credit.

Rams: 002 000 X 6 6 6
Indians: 000 000 X 0 5 3

Summary: Batteries, Rams, Williams and Leathers; Indians, Knight and Roberts; struck out by Williams 9; Knight 3; balk bases, Rams on balls, Williams 4; Knight 3; hit by pitcher Harris by Williams; Billy-Jo Leathers by Knight; left on bases, Rams 4; Indians 6; Umpires, Mossy and Eggleston.

MAY DAY PAGEANT

(Continued from page 1)

the throne, could hardly have been exceeded, for it was beauty and dignity to the extreme. Principal Frank Hobson crowned Miss Tatum as the Queen of this particular May Day pageant.

Two other features require special mention, that of the Maypole dance by a coterie of Rainbow girls gowned in beautiful white party dresses. The other was the Statute of Liberty, with Miss Patti Ingram as Liberty, with her receiving the loners and acclaims by participating groups of the evening, in the beautiful finale.

The PTA did not try to stage any other attraction but the pageant, except that the Able department boys had a refreshment stand at the rear of the stand, where they did a rushing business for cold drinks and hot dogs. The dance given in the school auditorium was largely attended and the young folk certainly did enjoy same.

South Bay schools came up with two realistic floats representing Mother Goose characters and the other the Belle Glade school display of local grown produce. The PTA and the other participants in the production of the evening pageant, are to be congratulated on their work, and the success of the evening's program.

The night pageant was under the direction of Miss Alma Mur-

Bratley's Will Told Long Autotrip Vacation

Mr. and Mrs. J. T. Schoewe, wife of Capen, Wyoming, accompanied by Mrs. Leoni Dufur, of Harper, Kansas, relatives of Mr. and Mrs. Hugh J. Bratley, arrived in Belle Glade, Thursday, to visit the latter for a short time while making a tour of Florida.

Mr. and Mrs. Bratley will soon leave on a long automobile trip which will take them to their home birth towns of Wichita, Kansas and Silver Lake, Minn. On June 7th the Bratleys will be in Richmond, Va., where they will attend the Golden wedding anniversary of Mr. and Mrs. Adolph Mair, a brother of Mrs. Bratley.

Funeral Services

For Mrs. Robert Chamberlain of Pahokee

Funeral services for Mrs. Marion Cate Chamberlain, wife of Robert Chamberlain, of Pahokee, and daughter of Mr. and Mrs. P. M. Cate, of Leesburg, will be held at the Episcopal church in Pahokee, May 14th, Rev. A. J. Lively. The deceased died in the Good Samaritan Hospital having been an invalid for some time past.

Mrs. Chamberlain was born in Unifolia, and was 33 years of age. She was survived by her husband, Robert Chamberlain, a daughter, Marion Cate, her aged parents, two sisters, Mrs. H. T. Williams, of Pahokee and Mrs. George Pearce, of Leesburg, and one brother, P. M. Cate, Jr., of Leesburg. A funeral was made in Woodlawn cemetery in West Palm Beach.

P. M. Cate, Sr., was married for many years was a large farmer and packing house operator in Pahokee and Cardwell, but retired some years ago to make his home at Leesburg on a fine lake front ranch.

No Entries For May Listed in Fish Contest

No black bass entries have been made in the Parrish and Davis contest so far for the month of May. One fish of over seven pounds was offered but was turned down on account of not meeting contest requirements.

Mr. and Mrs. Bill Graber, Mr. and Mrs. Don Aspay and Glenn Norris hiked out of Belle Glade Tuesday with their camp and fishing equipment, and will spend several days fishing on the Kissimmee river waters out of Okeechobee. "Bill" declined to be the pilot on this occasion, for fear he might get lost and thus lose his fishing time, as he did on his last pilgrimage.

Richard Herring Complimented At Party

Mrs. Melvin Herring assisted by Miss Myrtice Gilman, kindergarten teacher, entertained at a lawn party Wednesday afternoon in compliment to Richard Herring on his fourth birthday.

The children were entertained with games suitable to their age, the older children assisting with the entertainment of the tots.

Cake, jello and soft drinks were served to the little guests and the mothers in attendance.

Guests were Jimmy Challenor, Rebecca Woodham, Donna Faye Walker, Linda and Bunny Leathman, Mike and Sandra Willis, Sandra Cooper, Bertram Davis, Shirley Miller, Sharon and Robert Roberts, Jimmy Lou Sumnerlin, Mary Mathewson.
